IN APPRECIATION

Miss Mary E. Warren. "Pinky" to those who loved her.

Miss Mary E. Warren, after 42 years at Waterville High School, retired last June. She holds the longest term of service at Waterville. Last June she was honored not only for her many years as a Latin teacher but for her countless hours of labor, effort, and interest in helping our youth.

Miss Warren received her B. A. Degree, Cum Laude, from Colby College in 1923 and her Master's Degree in 1929. She also did graduate work at Columbia University.

A teacher of Latin for 43 years, she began her career at Lawrence High School. She came to Waterville in 1929, taught 39 years in Room 5 at the old building and spent her last 3 years in Room 211.

Recognized as being the founder of Cum Laude Honor Society at our high school, she has served as an advisor and chairman of the faculty committee since its inception 20 years ago. She was made the first honorary member in 1956.

The work done by Miss Warren for J. C. L. will be remembered for years to come. Since one of her interests has been to promote the Classics especially Latin. She has worked tirelessly to advance its study. During National Latin Week there is an exchange program with Mount Merci and creative displays are exhibited.

This year Miss Warren hasn't made any plans except "to live each day to the fullest." She has taken up hobbies and joined civic organizations in her free time. She has had time to do some gardening like raising mums, join the Woman's Club and do some antique buying. Working with the Home for Little Wanderers is one of her many joys.

Miss Warren has, through her 43 years of teaching, given us the opportunity to learn and better our lives so that we too may "live each day to the fullest."

MAINE FLIER BOMBS SUB OUT OF SEA

Drops Depth Charges at 100 Feet—U-Boat Breaks in Half

WASHINGTON, May 10 (AP)—Destruction of a German submarine by a navy Catalina flying boat, which found it surfaced in West Indian waters during March, was reported today by the navy.

The plane strafed the submarine before Lieutenant (j. g.) Stetson C. Beal of Lisbon Falls, Me., dropped four depth charges which broke the enemy undersea craft in two.

A picture from the Past! Patrol Plane Commander Lt. Stetson Beal, fourth from left, second row, poses with his anti-submarine bomber crew during World War II.

IN DEDICATION

We, the class of 1967, to express our sincere appreciation for his tireless efforts on behalf of Waterville High, respectfully dedicate this yearbook to Mr. Stetson Beal.

Mr. Leonard McGinnis
Vice-Principal

Mr. McGinnis assumed his duties as vice-principal last fall after having worked in Framingham, Mass., as a guidance counselor. When questioned after a few months of school on how he liked Waterville, he said, "I have a lot to be happy about, working with such warm, friendly, co-operative people. The great majority of the students at Waterville High School have been a real pleasure to work with. This community should be proud of their young people."

Mr. Trask arrived at Waterville after being principal at Traipp Academy in Kittery for nine years. With him came new and interesting ideas to Waterville High School. At an earlier interview, Mr. Trask was quoted as saying he feels the student body at Waterville High School is one of the finest he has worked with.

Cum Laude has promoted lectures and concerts in town and at Colby, and has organized luncheon speeches for its members. The traditional tapping assembly and banquet for the new initiates were held in the spring.

Cum Laude is composed of the top ten percent of each class, with five percent elected in the junior year and five percent in the senior year.

Cum Laude officers are Susan Harwood, Treasurer, Glenn Turner, Vice-President, Douglas Bird, President, Tasha Kempers, Secretary.

GIRLS' STATE

Dirigo Girls' State celebrated its twentieth anniversary on the Colby Campus last June of 1966. Three hundred seventy-five girls took part, four of which represented Waterville Senior High School. They were Kathy Jelly, Natasha Kempers, Lois Maltais, and Barbara Radziewicz. All four of them held an office of State Senator; Lois Maltais was selectman of her town and Commissioner of Agriculture of the State. Barbara Radziewicz was elected to the House of Representatives. W.H.S. can be proud of Natasha who became the "Most Outstanding Girl of Dirigo Girls' State." Because of this high honor, Natasha flew to Washington D. C. to attend Girls' Nation.

The week the girls spent at Girls' State brought not only fun, excitement and fond memories, but also knowledge in the field of government. They heard from important leaders of the State and learned about the primary functions of town meetings and party caucuses.

BOYS' STATE

WHS delegates to Boys State participated wholeheartedly from the Gubernatorial race to the winning team in baseball. Lectures were held by former and present State Representatives, Senators, and professors of government. The agenda included town meetings and several debates on assigned platforms. On the final day, the delegates were awarded certificates of completion and allowed to leave a most enjoyable and rewarding experience.

The Radio Club participates in the LW3 Radio program which is broadcast each Saturday morning over WTVL from 11:05 to 11:54. Waterville is allotted eleven minutes during which school news, interviews with coaches and players are presented by two of the club's members. The Radio Club started late but under the guidance of Mr. Day became as successful as last year. The Radio Club's members write all the script and are responsible for the weekly shows. With the cooperation of more students, the Radio Club could become an outlet for creative talents. This show provides students with an opportunity to meet others from Winslow, Williams and Fairfield and to learn about the different schools. It interrelates the community through communication.

Preparing for a broadcast are Cathy Chapman and Sue Geib who, along with the others, have done an outstanding job.

Third row: Louis Carlow, Steve Veilleux, Bob Cote, Ed Gagnon. Second row: Tom Huard, Nelson Bolduc, George Brochu, Mr. Leighton Gardner, advisor, Courtney Blood, Eugene Coombs, John Bourgoin. First row: Mike Gallant, Clarence McLain, Reed Thibodeau, Bob Picher, Bob Bizier Leo Ouellette.

The EMAC Club is dedicated to the service of our school. Throughout the year it has sponsored many worthwhile projects. The EMAC boys kept our school litter free and in an orderly state in which we can all take pride. They also worked hard and thusly provided Thanksgiving baskets for the needy. The club, composed of shop students, is now affiliated with the national chapter. Our thanks and that of the school go to this helpful group.

PANTHER PROWLER

As expected this year's Panther Prowler has been a smash. Its circulation has increased to 600. The paper's staff of 23 students performs all the typing, printing, art work, and writing which appears in each of its seven editions. The Prowler contains many new features---"fads and fashions", a crossword puzzle, and the very popular picture page. Students are encouraged to voice their opinions on any subject. Also each year there is a student opinion poll. This year's poll was on the question of proper student dress. Thus the Prowler serves not only to inform the school but to induce discussion and questioning. At Christmas, the Prowler sponsors the Christmas Stocking Drive which collects money for needy children, giving them clothes and toys for a happy holiday. In June the Prowler uses its profits to award a $100 scholarship to a senior staff member who has worked on the staff diligently for at least two years.

This year the Glee Club is divided into two class periods--the freshman and sophomores sing during the second period, and the juniors and seniors, during the third period. The Glee Club has been very active and has presented several excellent programs beginning with their talent show, held in November. A Christmas Concert was given at the Christmas assembly and later, at request for the Waterville Woman's Club. This concert was taped and presented in a Radio Broadcast over WTVL. In the spring, the Glee Club plans to do the hit broadway musical, "110 In the Shade." "Pygmalion," a five-act comedy, was the highly successful Senior Play, and "The Valiant," a one-act drama, was entered in the annual state one-act play contest. In addition to these two major productions, Thalpomene members presented skits and programs to the club and school, and participated drama workshops and speaking contests

This year's Nautilus projects the image of the class of '67 through the hard work of our fifteen staff members. Our new burlap cover projects the modern go-ahead attitude of the senior class and may start a new trend. Also this is the first time since 1952 that the senior acknowledgments do not appear under their pictures. These new innovations combined with quality reporting provide graduating seniors with a yearbook long to be cherished.

The '67 staff comprised of junior and senior students sacrificed many Saturdays and work after school till darkness fell to meet the appointed deadlines and to present you your yearbook before school finished. Where should this picture be? What candid pictures should be used? Is this a proper heading? All these questions are discussed and answered before one page of the yearbook can be finished. Our faithful advisor, Mr. Cabana, pipe in hand, supervised and aided the staff in its challenging, but rewarding task.

Jim Vigue Being Straddled By Opponent In One Of His Many Yardage Gains.

During the 1966 football season Waterville High achieved a record of four wins and five losses. The team was much better than the record indicates. Our team was definitely outclassed when they played Biddeford. The score was 35 Biddeford, Waterville 0.

Teamwork is the secret of any good team and the Panthers truly exhibited this spirit in every game they played. Waterville had a impenetrable defense.

One of our most exciting games of the year was with Winslow. We were losing 21 to 7 at the half and came back and held back the Winslow team. During the second half the offense was led by Mike Wynne who exhibited excellent passing ability.

Brian Denis contributed with his bulldozing thrusts. Jim Vigue came through with his break away runs. He managed to gain more than one hundred yards rushing. Wynne had a few good receivers; Dick Babine, Denis Martin and Mark Lohman. Powering the path for the offense were Terry Ackley, Gary Rackleff, Ron Gagnon, Bob Cote, Wayne Theriault, Don Rowe(All State) and Peter Ullom. We must give credit to our strong defense who never seem to get discouraged but keep fighting on. Led by George Joseph, the defense stopped the strong Winslow attack in the second half.

During the course of the season, the Panthers were often out-weighed but never out-hustled.

Congratulations are in order for Head Coach Fillback and coaches Jabar, Vear, and Gray for a job well done. The 1966 Waterville High football team should be commended for their excellent spirit and sportsmanship.

GOLF TEAM

Whack! That's the sound of a golf club meeting a ball squarely. A sound heard many times during the 1966 golf season by the Panthers, who completed a fine season. Led by Captain Charles Abbott and veterans Tim Morin, Mike Parker, and Paul Lemieux the W.H.S. squad has an over-all record of seven wins and one loss. With Morin, Parker, and Lemieux returning, one can safely predict a successful season for 1967 campaign.

Left to right: David King, Pat Sturtevant, Wally Smith, Peter Dumont, Gary Ullom, Bernie Poulin, and Peter Kempers.

TENNIS

In its second season, the tennis team compiled a respectable record. The team had a pair of wins over Skowhegan and the season was highlighted with the seventh place finish in the state match. The team was led by Captain Tom Nale and senior Dick Moore. Returning veterans for this year include Peter Dumont, Gary Ullom, and Pat Sturtevant. The team is hopeful of getting a few more matches this year and looks forward to the coming season with great anxiety.

SOCCER

Coach MacKenzie fires up his men

This years soccer team coached by Mr. McKenzie and captained by Mike Parker and Peter Dumont had a most impressive season. The young team, having only five seniors, posted victories over Kents Hill, M.C.I., Hinkley and Newport. They ended their season with five wins, two losses and one tie.

The forward line headed by Pete Dumont, John Cullen, Pete Kempers, Chris Beach, and Ray Lemieux spearheaded the onslaught averaging two goals per game. The defense Paul Chamberlain, Rick Jones, Duane Wheeler, Mike Parker and Mike Smallwood along with goalie Bernie Poulin, limited the opposition to only seven goals in all.

Next years team, with twenty-six veterans, should continue the fine record of this new sport of W.H.S.

HOCKEY

Waterville's hockey team has displayed an excellent league standing with a record of 8 wins, 1 loss, and 1 tie. The team finished the season in second place and was slated to play St. Doms in the first game of the playoffs.

Under the tutelage of the new coach "Spat" Roy, the Panthers played aggressive hockey. The team has the distinction of not losing a game at the Central Maine Youth Center during the season.

Outstanding goalie Mike Talbot and defensemen Mike Simpson, Dick Schenk, and Paul Lemieux, stopped the opposition in many crucial games. The smooth working offense with high scorers Rick Boucher and Danny Doyon, along with the fast playmaking of Rusty Cyr, Dick Giguere, Steve Tremblay, and Dave Bolduc, finished the regular season with an overall record of 15 wins, 5 losses, and 1 tie.

Junior Varsity players are: Jeff Guite, Mark Bolduc, Jimmy Rancourt, Wayne Stevens, Donny Armstrong, Gary Lalibertie, Brian Walcott. Second row: Bobby Lemieux, Mike Roy, Bob Roy, John Cullen, Mike Couture, Bill Savage, Paul Boudreau, Coach "Spat" Roy.

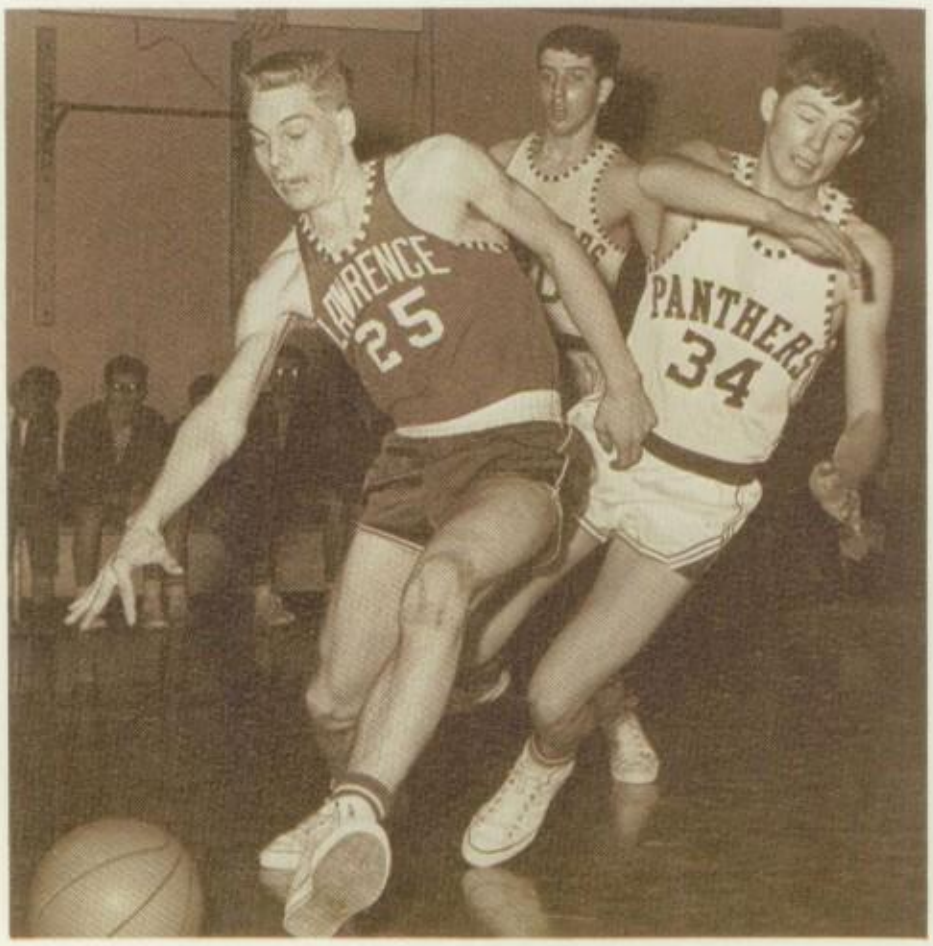
Freshman Mark Noel shows form that made him the team high scorer.

The moment of triumph, however brief but sweet.



Dick Willette continues to press his opponent during the final seconds of the game.

The basketball team had a rather disappointing record of 6 wins and 14 losses. It was a young team with only one senior starter--Gary Rackleff (Co-Captain); thus through lack of experience more than anything else the basketball team of 1966-1967 witnessed a building season.

Individual stars, Waterville had many. Mark Noel amazed everyone by his all around playing and poise as a freshman starter. Steve Black was really something to watch when he sank one of many two pointers from the top of the key. Gary Rackleff was very impressive under the boards during the season and Jim Bizier was one hustling Panther who never gave up.

Yes, the 1966-1967 basketball team did have its moments of glory and its moments of agony--but there is the future--for as a young team they have yet to reach their peak.

TRACK

Bob Demkowicz and Jim Vigue elated after a victorious track meet.

Once again due to the fact that the NAUTILUS goes to press before the track season, we can only speculate about the 67 season. The team should be one of the strongest in recent years. With Bob Demkowicz and Jim Vigue in the sprints and Norm Vashon and Bryant Bourgoin in the distance races Waterville will make a great showing in the running events.

In the field events, Don Rowe in the javelin and discus, and Tim Michaud and Jim Vigue in the javelin all play for Waterville. The PANTHERS should taste victory in the jumping events with Scott Libby, Jim Vigue and Tim Michaud leading the way.

Our 1967 Track team should leave an impressive record.

Waterville High School offers a fine athletic program to girls. It boasts of three varsity sports; field hockey, softball, and skiing and other intramural sports.

This year's field hockey team enjoyed a very successful season under the leadership of coach Mrs. Maroon. Co-captained by Lois Maltais and Anne Garland the eleven girls coasted to a season record of 5 wins, 1 loss and 2 ties. The junior varsity had 1 win, 2 losses and 1 tie.

After the field hockey sticks were put away for the winter, the basketballs started bouncing. Basketball is an intramural sport with teams made up from the four different classes. The season is highlighted by a play-off between the 4 classes with one victor resulting. While some girls play basketball others swim or bowl. Those that swim enjoy the facilities of the Waterville Boys Club twice a week and those that bowl are transported by bus weekly to the Elm Plaza Bowling Lanes.

During the winter months, a few girls skied on the varsity ski team which traveled all over the state to compete in meets with other schools.

After basketball, the gym is employed for volleyball. This sport is rapidly growing in popularity. Again teams are made up from different classes and they play for a period of 10 weeks.

Gymnastics is a sport that interests a great number of girls. There are some girls who prepare for competition and there are some who participate just for personal enjoyment. This sport, though relatively new, is becoming very popular with students of Waterville High School.

Spring is welcomed by softball enthusiasts. The varsity softball team coached by Mrs. Couture traveled throughout central Maine competing with other schools.

With this wide variety of sports at Waterville High School, the girls' athletic program is supported by many enthusiasts.

Dear Classmates,

In 1963 we had the unique distinction of being the first Freshman Class to enter our new high school. In 1967 we are experiencing another first, the initial graduating class to have completed four full years at Waterville Senior High.

It is only through the thoughtfulness, sacrifices and foresight of the people of Waterville that we have been able to enjoy and benefit from this wonderful school. Without the capable, efficient administration and faculty that we have, this enormous physical plant would be a building without a foundation. The class of 1967 thanks you.

May your interests go with us, may we not disappoint you. And because we hope to keep open all avenues to old friendships, we shall not say good-bye, but rather farewell--until we meet again.

As we all leave as a class and go on as individuals to higher learning or as productive citizens, let none of us ever forget the lessons that have been taught and learned. Let us take with us the valuable academic, social and personal experiences that we have enjoyed during these four years. May they be a basis for molding us into productive Americans.

No Parking At Any Time, must mean me!

Thank you for making my year here in Waterville an experience which always will stand in my memory as one of the greatest in my life.

I read in a magazine that Americans are rude--what a surprise to me. Everybody has been just the opposite. Also, Mr. Trask, Mr. McGinnis and all my teachers have been so understanding and helpful. The students have been kind to me.

So thank you, everybody, for a wonderful year here in Waterville High.

Before you accept that first job . . .

Look over your employer as carefully as he does you

What's the Company like anyway? Would I be proud to work there? Reputation for square dealing with employees? Pleasant surroundings?

Will I be working with others my own age? Are they friendly? Do they socialize after hours?

Will the boss be reasonable? Appreciate good, hard work, but won't explode if I make a mistake?

Will I make a decent week's pay? Have a chance for raises, advancement, more responsibility? How about fringe benefits?

Is the work challenging? I had what it takes to get through high school. Will they give me a chance to use my brains?

Note: Many young men and women in this area can answer "Yes" to these questions. They work for New England Telephone.

Why not talk with our employment interviewer soon . . . before you graduate? Ask your Guidance Counselor to tell you when and where to apply.
